The Honorable Paul S. Diamond

Re: *Cree, Inc. v. SemiLEDs Corp. et al.*, C.A. No. 10-866-PSD

Dear Judge Diamond:

We apologize for submitting another letter to the Court concerning the *Markman* hearing, but we wanted to clarify a misunderstanding concerning Cree's availability in December. As previously stated, Cree can be available on any of the dates that the Court has proposed for the hearing (November 28 or 29, or December 5, 6, or 8). With regard to the alternative dates proposed by SemiLEDs, for which we understand the Court may not be available, Cree misunderstood SemiLEDs' availability the week of December 12. Cree also can be available for the hearing the remainder of that week (December 12, 13, 14, 15, or 16), or on December 19, 21, or 22.

Respectfully,

/s/ Frederick L. Cottrell, III
